

EVOLVING CREATIVITY BEYOND

IMAGINATION

@LETSCREVO

WHO WE ARE

At CREVO, we are more than just a design agency; we are architects of digital experiences.

Founded in 2016, we have grown into a hub of innovation and creativity, driven by a passion for transforming ideas into impactful visual stories. Our journey is marked by a relentless pursuit of excellence, a deep understanding of the digital landscape, and a commitment to making each project not just a success, but a trendsetter in its domain.

INNOVATIVE AT CORE

At CREVO, innovation isn't just a buzzword; it's our operational mantra. We continuously push the boundaries of design and technology to deliver unparalleled results.

1

CUSTOMER-CENTRIC APPROACH

Your vision is our blueprint. We believe in a collaborative process, tailoring our services to meet your unique needs and ensuring your brand stands out.

2

END-TO-END SOLUTIONS

From the initial concept to the final output, we offer comprehensive solutions. Our team is equipped to handle all aspects of digital branding, ensuring a cohesive and impactful brand presence.

3

Our expertise lies at the intersection of art and technology. We specialize in creating stunning visuals that are not just aesthetically pleasing but also functionally superior.

Our niche includes crafting user-centric UI/UX designs, engaging graphic narratives, and dynamic animations that breathe life into your brand.

**AT CREVO,
WE DON'T
JUST
DESIGN;**

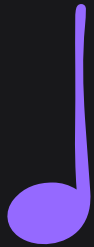

WE INNOVATE,
WE INSPIRE, AND
WE CONNECT.

BRAND DESIGN

At CREVO, we understand that a brand is more than just a logo or a name. It's a story waiting to be told. Our Brand Design service is crafted to breathe life into this story, creating a robust and evocative brand identity that resonates with your audience and stands the test of time.

++ Logo Design: Crafting a distinctive logo that encapsulates the brand's essence.

++ Brand Style Guide: Developing a comprehensive manual detailing the brand's visual and stylistic elements.

++ Corporate Branding: Creating a suite of branded materials for corporate use, such as business cards, letterhead, and email signatures.

++ Brand Messaging: Formulating a consistent voice and message that resonates across all brand communications.

OUR PORTFOLIO

GRAPHIC DESIGN

Graphic design at CREVO is an amalgamation of art and strategy. Our designs are not just visually appealing but are also vehicles for your brand's message, delivering it with clarity and impact.

++ Marketing Materials: Designing brochures, flyers, posters, and other materials for marketing purposes.

++ Digital Graphics: Creating visuals for websites, apps, and social media platforms.

++ Packaging Design: Developing attractive and functional packaging for products.

++ Infographics: Converting data and information into visual graphic representations.

OUR 
PORTFOLIO

UI/UX DESIGN

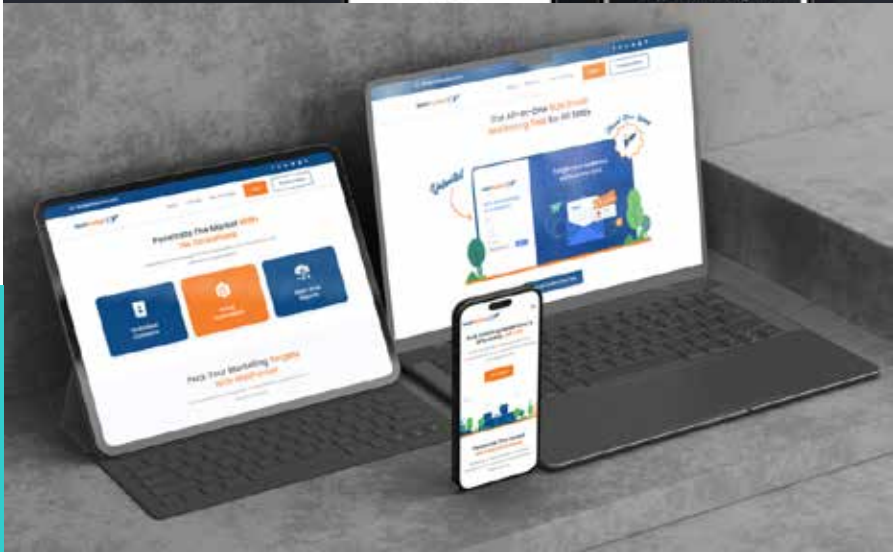

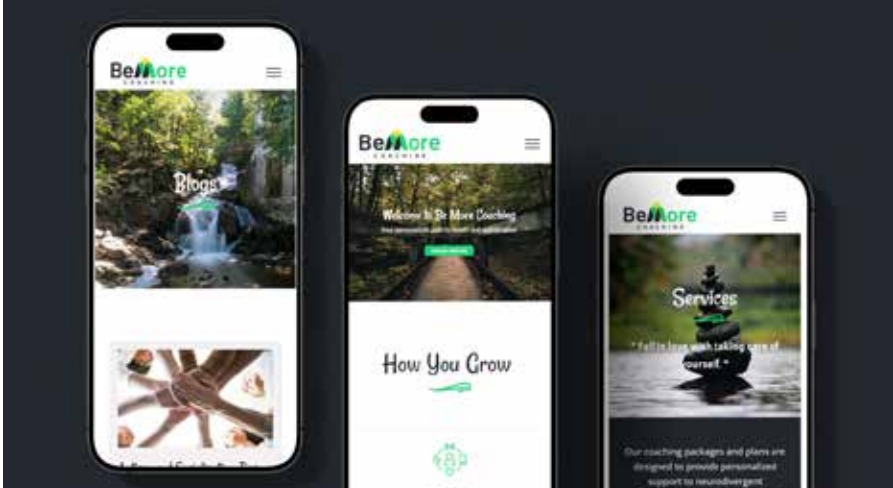

User Interface and User Experience design are at the core of any digital product's success. CREVO's UI/UX design services focus on creating intuitive, user-friendly interfaces that enhance user satisfaction and accessibility.

++ Web Design: Creating the layout, visual appearance, and usability of a website.

++ Mobile App Design: Designing the user interface and experience for mobile applications.

++ User Experience Audits: Assessing existing digital products and providing recommendations for improvement.

++ Prototyping: Building a model of the design to test its functionality and user experience.

OUR 
PORTFOLIO

PRINT & DIGITAL DESIGN

Whether it's a tactile experience through print or the immediate impact of digital, CREVO's Print and Digital Design services ensure your message is seen and remembered.

++ Brochure and Flyer Design:

Crafting informational and promotional print materials.

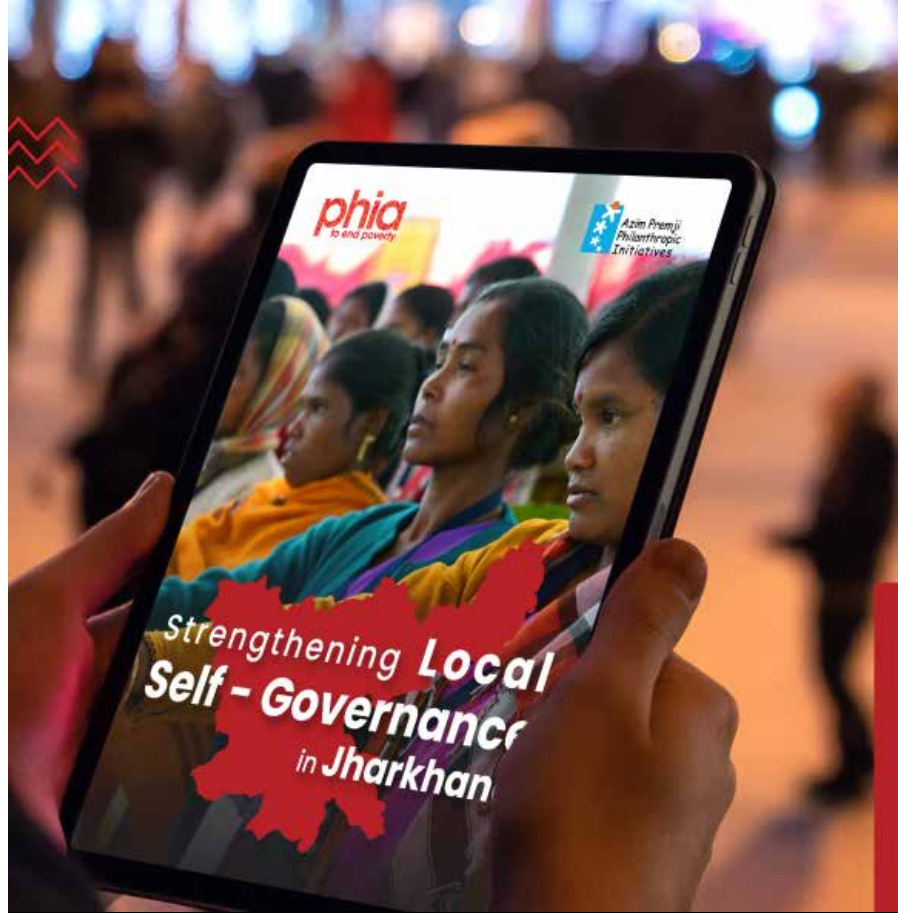

++ Digital Ad Design: Creating visual assets for online advertising campaigns.

++ E-book Layout and Design:

Designing the layout and visual elements for digital publications.

++ Business Reports and

Presentations: Producing professional, branded documents for business communication.

OUR  **PORTFOLIO**

ANIMATION DESIGN

In a world where motion captures more than stills, our video and animation services are designed to create compelling narratives that engage and inspire.

++ Explainer Videos: Producing short animated videos that explain a product, service, or concept.

++ Motion Graphics: Creating animated visual elements for video production.

++ 3D Animation: Developing three-dimensional moving images for various applications.

++ Corporate Videos: Crafting video content for corporate storytelling, testimonials, or internal communication.

OUR 
PORTFOLIO

GenAI DESIGN

Harness the power of artificial intelligence with CREVO's Generative AI Design services. Utilize data-driven design processes to create unique, personalized experiences for your audience.

++ AI-Powered Graphics: Generating images and graphics using AI algorithms.

++ Personalized Content Creation: Creating customized marketing materials and designs based on user data and preferences.

++ AI-Driven Brand Elements: Using AI to develop brand elements that evolve over time.

++ Data Visualization: Utilizing AI to create complex visualizations from large data sets.

OUR 
PORTFOLIO

SAAS IDENTITY DESIGN

At CREVO, our SaaS Identity Design service is dedicated to creating a distinctive and coherent identity for software-as-a-service products. In a market crowded with solutions, we ensure your SaaS stands out with a visually compelling and functional design that speaks directly to your user base.

+ GET SAAS +

GAME ASSETS DESIGN

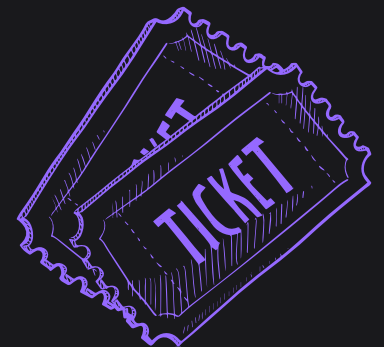

Our Game Assets Design service at CREVO brings digital landscapes to life. Whether it's for indie games or major titles, we provide detailed and engaging design elements that capture the essence of the game's world and enhance the player's experience.
